The classic wedding cake is back—silky buttercream & moist tortes, basketweaves & Greek columns, lace & flowers, pearls & bells. This is the wedding cake of the 40's, 50's, & 60's, and it's the same wedding cake we have been making for over 70 years. Discovering Wolf's Bakery is like finding that perfect vintage wedding dress shop—you walk in and there it is, waiting for you on the rack; you try it on and it fits perfectly. Wolf's is the perfect fit & the right taste for your vintage moment, your classic memory—your wedding.
